

U.S. News & World Report, Best Senior Living

Data - more information

Upon completion of the Best Senior Living survey, you will receive company-level high level results. Additional data and access to expanded results may be purchased at an additional cost.

- The registration fee covers the costs of administering your resident and family survey, which includes a high-level summary of overall results. Detailed survey results and raw data will be provided at an additional cost.
- Survey participation is required to be eligible for a potential Best Senior Living recognition. U.S. News Best recognition is not guaranteed upon survey completion.
- [You can see a sample of the results you will receive here.](#) These results are no additional cost to you. More detailed results will be at an additional cost.
